| _____ | _____ | _____ |

From the Student/Parent/Coach/Chaperone Handbook:

III.C.3.d. "Students must remain in the care and locale of the chaperone at all times unless prior arrangements are made in writing with the student's parents or guardians. Visiting friends and/or relatives is only allowed with written permission. A student who leaves the group without permission will be subject to appropriate disciplinary measures which may include being sent home and restrictions placed on future travel."

IV.F. "The chaperone has the authority to set and enforce appropriate curfew times."

Person checking out student must be 21 years or older. A chaperone has the right and authority to decide when, and if, it is an appropriate time for a student or students to be released to an approved family member or friend.

By signing I confirm that I have read this document and agree to abide by the stated policy.

Student's Signature

Date

By signing I confirm that I have read this document and absolve the Bering Strait School District from any and all responsibility for anything that may happen during the time this student is checked out by the approved person(s).
