Bean's Café

Hello Jeff,

Yes, we could use groups of high school kids to help out at Bean's Café. Our primary need is for help with kitchen prep (cutting vegetables for salads or soups, make sandwiches, etc.), and some cleaning/organizing tasks (scrubbing serving area, moving supplies & cleaning shelving, etc.); we also occasionally have an opportunity for the group to serve breakfast or lunch (breakfast is served 7:40 to 9:00 am and lunch is served 11:40 to 1:00 pm). We could use approx. eight (8) kids plus two (2) adults for the serving of meals, with any additional kids & adults taking turns serving and doing kitchen prep. The smaller size groups would be perfect for kitchen prep, etc. which is started at 7:30 am weekdays and 8:30 am weekends, shifts usually average 2-4 hours, or for cleaning/organizing tasks which could be accomplished in the early afternoons approx. 1-3 pm. Hope this helps. Please give me a call on my direct line, 297-5604 and we can discuss possible dates/times. Thanks for thinking of Bean's Café.

Charter College

At the Dimond Center
