Notes:

- **Step 1 is intended for first year coach/sponsor with no previous experience in the specific activity. Additional steps may be added for previous experience in the specific activity in other locations as per site administrator.**
- **Additional student activities not listed on the schedule may be added with approval of BSSD Student Activities Director.**
- **All stipends are intended for work done outside of the school day. Stipends should not be paid for work that is done as part of the school day or as part of other contracted work.**
- **Stipends are not paid for chaperoning, class advisors, Student stores or special event coordination.**
- **These are per activity per site. If assistants are hired it must be within the scheduled maximum. Sites may choose to supplement this with site funds.**
- **If “co-coaches” are used the combined total of their experience (up to the 5 year maximum) will be used to determine the stipend level.**
